Thanks to Our Sponsors

For us, disabled will never mean unable. That's why Easter Seals Ontario is dedicated to helping children and youth with physical disabilities carve their own path in the world, with assurance and autonomy.

We believe that every child has the potential to grow into the best version of themselves; however, every child also needs the right environment, opportunities, and support system to do so. In a society designed for the able-bodied, personal growth for children and youth with physical disabilities can be more difficult. Easter Seals provides kids with physical disabilities the tools they need to reach their full potential and make their own positive impact on the world.

Our core programs include mobility and accessibility equipment funding, fully accessibly summer camp, scholarships, youth ambassadors, and advocacy and public education.

Together we are creating a society that sets goals, not limits, for kids with physical disabilities!

How Your Support Makes a Difference

The support you give can alter the course of a life. Whether it's through raising funds or volunteering your time, your contribution is helping to make space for brilliant minds in seminar rooms, fostering confidence and community, and levelling the playing field for people who don't belong on the sidelines. Most importantly, you are opening new possibilities for very deserving kids and youth.
